## PROFESSIONAL SUMMARY

Enthusiastic, highly-motivated Information Science and Engineering undergraduate student with proven leadership capabilities, who likes to take initiative and seek out new challenges. Proficient in a range of modern technologies including Java, Android and Python.

## EDUCATION

### **Bachelor of Engineering | SDM Institute of Technology, Ujire.**

2016 – PRESENT

Pursuing BE in Information Science and Engineering from SDM Institute of Technology, Ujire.

Current CGPA of 7 semesters is 7.63.

### **Senior Secondary School | Jawahar Navodaya Vidyalaya, Gadag.**

2014 – 2016

Completed Senior Secondary School from Jawahar Navodaya Vidyalaya, Gadag Dist. with the total percentage of 67%.

### **Secondary School | Jawahar Navodaya Vidyalaya, Gadag.**

2012 – 2014

Completed Secondary School from Jawahar Navodaya Vidyalaya, Gadag Dist. with total CGPA of 8.6.

## SKILLS

- Java and J2EE
- Android App Development (Self-Practitioner)
- C and C++ Programing Language
- Web Development (HTML and CSS)
- Python Programming Language
- Adobe XD, PS and Premier Pro
- Microsoft Word, Power Point and Excel
- Team Work

## TRAININGS, INTERNSHIPS AND CERTIFICATIONS

### **Workshop| Industry Oriented JAVA and its applications**

22-24 FEB 2018

Three-day workshop on Industry Oriented Java and its Applications organized by Department of Information Science and Engineering held at SDM Institute of Technology, Ujire. Learnt about fundamentals and basics of Java Programming Language.

### **Technical Training Programme | Java Project Oriented Training Program.**

18-19 SEP 2018

A project-oriented training program using Java programming language conducted by Skill You Enterprises Pvt. Ltd., Hyderabad held at SDM Institute of Technology, Ujire.

### **Technical Training Programme | Java Application Development.**

FEB 2019

Application Development using Java training conducted by Dlithe held at SDM Institute of Technology, Ujire.

### **Internship | Android Application Development**

JULY 2019

Completed four weeks of internship at Zerozilla Technologies, Bengaluru on Android Application Development.

### **Certification | Intel® AI Academy**

JAN 2020

Completed AI from the Data Center to the Edge - An Optimized Path Using Intel® Architecture and certified from Intel® AI Academy.

## **PROJECTS**

### **EduAcad | An Android Application for College Students**

This application is developed to help Engineering college students to help in their academic and non-academic activities. This project got 1<sup>st</sup> prize in college level mini-project competition. This project is under development for more features.

### **Tactics | An Android Application**

Simple classroom android application for Engineering students.

Link: <https://bit.ly/tacticsApp>

### **Foodies | A Web Application to order food**

The main objective of doing this project is to implement a DBMS concept into web applications.

### **Foodies | Online Food Ordering Android Application**

Materialistic Android Application that can be used to order food online. This application is under development.

## **ACTIVITIES**

- Campus Ambassador –
  - Quark, a Technical fest conducted by Birla Institute of Technology, Pilani, Goa. [http://bit.ly/Certificate\\_Quark](http://bit.ly/Certificate_Quark)
  - Indian Institute of Information Technology, Design and Manufacturing, Jabalpur. [https://bit.ly/Certificate\\_IIT\\_Jabalpur](https://bit.ly/Certificate_IIT_Jabalpur)
  - Humanity Welfare Council. [https://bit.ly/Certificate\\_Humanity\\_Council](https://bit.ly/Certificate_Humanity_Council)
  - E-Cell, IIT Bombay. [https://bit.ly/Certificate\\_IIT\\_Bombay](https://bit.ly/Certificate_IIT_Bombay)
  - Internshala Student Partner 10, 11, and 12.
- Volunteer –
  - International conference on Recent Trends in Technology – ICRTT 2018 held at SDM Institute of Technology, Ujire.
  - Workshop on Latex at SDM Institute of Technology, Ujire.
  - 4<sup>th</sup> International Conference for Convergence in Technology organized by IEEE Bengaluru Section held at SDM Institute of Technology, Ujire on 27<sup>th</sup> and 28<sup>th</sup> of October 2018.
